Aim High, Work Hard, Dream Big

## Inclusion Newsletter

Hello and welcome to our Term 5 newsletter. This term has been a busy term, with SATS in Year 6 and Year 2. All of the children have been absolutely amazing and we are so proud of them.

### Transition

As we near closer to the end of the academic year, we have been looking at transition plans in order to support our pupils into the next stage of their school journey. We will be offering additional transition visits for children who may be apprehensive about change and also some video tours and introductions from the new class teachers. For our Year 6 leavers we are already working closely with the secondary schools to ensure the transition is effective and successful. If you are concerned about your child's transition, please talk to your child's teacher or the SEND team.

### Structured Conversations

You should have received a letter detailing your Structured Conversations. These meetings will be an opportunity for you to share your aspirations and suggested outcomes for your child. The meetings will take place in school during the first half of Term 6. If you did not receive a letter, or if the time/date is not suitable, please contact your child's teacher.
