

PARKLAND

Physical Education and Sport Premium Report 2021-2022

'Evidencing Impact and Accountability'

What is the Sports Premium?

The government is providing funding to maintained primary schools and academies that is specifically targeted at improving the provision of physical education (PE) and sport.

Schools must spend the sports funding on improving their provision of PE and sport for the benefit of primary-aged pupils so that they develop healthy lifestyles. Schools have the freedom to choose how they do this but the impact should:

- ✓ develop or add to the PE and sport activities that your school already offers;
- ✓ build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

- ✓ the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
- ✓ the profile of PE, School Sport and Physical Activity is raised across the school as a tool for whole-school improvement;
- ✓ increased confidence, knowledge and skills of all staff in teaching PE and sport;
- ✓ broader experience of a range of sports and activities offered to all pupils;
- ✓ increased participation in competitive sport.

Thanks to the Sports Premium Budget, Parkland has been able to meet a number of key PE objectives. We have been able to:

- Improve PE provision for all children;
- Increase teachers' confidence in delivering high quality PE lessons;
- Train and coach Learning Support Assistants and Student Teachers so that they can contribute successfully to P.E lessons and clubs;
- Promote a love of sport;
- Improve the health and fitness of learners as well as develop an understanding of the benefits that Physical Education and a healthy lifestyle can bring;
- Raise the profile of Physical Education across the school and within the community;

Physical Education and Sport Premium Report 2021-2022

'Evidencing Impact and Accountability'

- Ensure a high percentage of children achieve at least the expected level for Physical Development as part of the EYFS curriculum (Early Years Foundation Stage).
- Create an all weather Sports Running Track

We are proud of our achievements in PE over the past few years. The increased participation in sports has been met with high levels of enthusiasm and with a focus on competition. This has allowed us to create a culture for sports participation that will hopefully continue for years to come. Pupils are genuinely filled with excitement for sport at Parkland, and we will continue to let this thrive in the upcoming academic year. The benefits, including the promotion of pupils' health and well-being, are long-term and sustainable. We owe a great deal to this additional Sports Premium funding and we look forward to building upon our previous success.

The Parkland Federation is continuing to work in partnership with Brighton and Hove Albion to deliver high quality PE sessions for each class from EYFS to Year 6. The sports coaches are keen to improve competitive sports across the schools. We are confident that this, alongside the Sports Premium Funding, will allow Parkland to continue making improvements to the PE provision for all of our pupils.

Primary PE Sports Grant Awarded

Number of Pupils On Roll:	429
Total Sport Premium Grant:	£18,400

Key Achievements To Date:	Areas for Further Improvement and Baseline Evidence of Need:
<ul style="list-style-type: none"> - Two lessons of PE taught weekly - one by specialist sports coach and one by class teacher - Some Daily Mile opportunities for children at the beginning of each PE lesson. Student record to keep track of miles and certificates given to children at milestones. - Football sessions run by sports coach at lunchtime - New PE equipment ordered so that children have high quality resources throughout the day that are easily accessible and exciting to use - Extra-curricular clubs run on a weekly basis for a variety of sports 	<ul style="list-style-type: none"> - Breakfast Clubs/intervention groups focusing on fine and gross motor skill progression - 3 x extra-curricular clubs run on a weekly basis for a variety of sports - Ensure regular Daily Mile opportunities for all children at least three times a week - Participate in 'inter-school' competitions (postponed due to Covid-19) - Use of the new running track needs to be monitored and timetabled so all pupils can benefit from this
